Discussion about possible sessions

Volunteers for recruiting new members -- we currently have ~ 120 members.

Lydia asks for volunteers to recruit new editor members.

Veronica Stoddart, Elizabeth Harryman and Fran Golden agree to be on the committee.

Spud suggests asking about former travel editor members' superiors? Not a designated travel editor but handle travel content now that there isn't a travel editor at the publication?

PD Volunteers: What the sessions are, contacting potential speakers, working within budget, aiming for four strong sessions to draw more editors.

Spud Hilton, Roger Rappaport, and Cindy Richards agree to head up the PD committee.

New Business/Questions:

Possible sites for next meetings - go where the editors are? (DC/NYC)

Discussion about reconsidering the model of how we operate future meetings - do we need to have a host hotel?

Meeting adjourned at 4:57 PM (PT)
