1

VOLUNTEER SKILLS

Willingness to spend some time reading, reviewing, consulting and voting on nominations. This usually happens within one month. The Phoenix committee members take the task seriously.

2

VOLUNTEER ROLES

- The Phoenix Committee works as a group on all matters pertaining to the Phoenix Award. We review the criteria to post on SATW.org. We encourage nominations and/or produce our own nominations. When all the nominations are in, we evaluate them individually and again together as a group and vote to name nominations worthy of the annual Phoenix Award. We promote the Phoenix Award as widely as possible beyond SATW. Most of the volunteer time happens during the month after the nominations have been filed, as that is when the committee members review and vote on the nominations.
